Financial Policies Agreement

Dear Southern Oncology Specialists Patient,

Thank you for choosing Southern Oncology Specialists as your healthcare provider. Our physicians are committed to providing you with the highest quality care.

Prior to receiving treatment, please read and acknowledge SOS's patient financial policies:

- You agree to provide SOS with current and accurate insurance, health care benefits program and/or payer information, and to immediately notify SOS if your coverage changes.
- You acknowledge that SOS will bill your insurance plan or program for services provided by SOS, and you agree you are assigning your right to receive payment or benefits from such insurer or program to SOS and are authorizing payment to be made directly to SOS.
- You agree that you are responsible for payment to SOS of all co-pays, deductibles, and co-insurance applicable under your insurance policy, plan or program. You understand that payment of such amount is due at the time of service.
- Depending on your insurer, plan or program, some services may not be covered. If your insurance does not authorize or cover a service or treatment and you nevertheless decide to receive such service or treatment, you agree that you are responsible for payment. This applies to all payers in accordance with all applicable laws and regulations and payer requirements (including any "advance beneficiary notice" [ABN] which may be applicable under Medicare).
- To facilitate payment of claims, to perform internal operations and to coordinate your care with other healthcare providers, SOS will use your personal health information internally and will share such information with your health care payer/plan and certain business associates of SOS in accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and other applicable federal and state law regulation.
- SOS owns and operates SOS Pharmacy, a specialty pharmacy that provides certain pharmaceuticals that may be prescribed by your SOS physician and may be covered under your medical or pharmacy benefits plan or program (such as Medicare Part B or Part D). You are not obligated to use SOS Pharmacy and may have your prescriptions filled wherever you choose. However, if you select SOS Pharmacy to fill SOS-issued prescriptions, then this policy and all other SOS patient financial responsibility policies will also apply to the items and services provided to you by SOS Pharmacy.
- You acknowledge that laboratory services may be necessary as part of your care and treatment which may be performed by SOS clinicians at SOS's own laboratory facilities. In some cases, laboratory services may be provided by outside facilities, in which case, you understand that you may receive a separate bill directly from the outside laboratory provider.
